President's Ponderings

Guild Members,

I know you are interested in our plans regarding future guild meetings while we are still dealing with Covid 19. The board put together some possible alternatives but, we need to hear from you to know how you want to proceed!

When the library opens for entry again, we expect the community room and conference rooms may not be available for our use. We want your feedback on some meeting alternatives the board identified. Each guild member will receive a questionnaire to let the board know your preference. We respect your position and will abide by membership majority. Our next scheduled guild meeting in June is only a few weeks away. Help the board set the path forward with your input by responding promptly.

1. Meet outdoors where we can exercise social distancing from one another.
2. Meet online using Zoom for video/audio conferencing.
3. Suspend guild meetings for another month and re-evaluate the situation at the end of June.

In addition, the board proposed a change to our annual membership dates to follow the calendar year January 1 through December 31. This is a by-law change that MUST be approved (YES) or rejected (NO) by our membership. If approved, it means:

1. Your current guild membership will be extend until December 31, 2020 at no additional cost.
2. 2021 membership renewal would be held in October/November at the current fee of \$25/year.
3. You can approve this change by voting YES or reject this change by voting NO.

If you have any questions or problems with the questionnaire, please give me or someone on the board a call!

I miss having the chance to share ideas and get inspiration from everyone.

Be healthy and stay safe,
Bonnie Walshe

Monthly News

Wow... I sold the winning ticket for our 2020 raffle quilt. On May 2nd our socially distanced and masked CCQG board members met at the PHPL parking lot to draw the winning raffle ticket. Keeping with tradition, a non-member observer, Doug Swafford watched as President Bonnie Walshe drew the ticket from the brass barrel. When Bonnie announced that the winner was JoAnn

Larsen from Iowa, I remembered our conversation at the Boerne Antique Show fairgrounds. JoAnn loved the quilt and said, she lived in Iowa. She only spent the winter months in Texas. In fact, JoAnn was traveling back in 2 weeks. She would not be in Texas for the drawing. And then, what if she won; how would she get it? As part of our sales pitch, I convinced her we would mail it to her. Reluctantly, she repeated "it is beautiful" and bought her tickets. When Bonnie announced the winning ticket was from Iowa, I was so excited, witnesses would have thought I won the quilt. Bonnie asked if JoAnn would email a picture of herself with the quilt. It's beautifully displayed here. I am proud to be among wonderful women in our organization and having memorable experiences.

UFO Retreat

This year's UFO retreat was wonderful!! Lots of projects were completed in addition to learning from our fellow quilters as well as spending time with each other.

The 2021 retreat is set for Feb. 18-21 at Valley Ranch Event Center in Camp Wood, TX. The daily rate may increase to \$90-92.50/day. Even with the increase, the event center is a bargain and includes meals. The sewing space and lighting are fantastic. The bedrooms are nicely done. The big bonus is having a wonderful 2nd floor quilt store at the event center!! Lera will be accepting \$50 non-refundable deposit checks at the next meetings.

Workshop Coming in September..
