## President's Ponderings

Members,

A few days in the Pacific Northwest is good for the soul! My husband and I just got back from visiting my son in Kirkland Washington, just outside of Seattle. Unplugged and outdoors could not have felt any better. Weather was perfect with temperatures

ranging between 55 and 75 degrees each day. We hiked on Mount Rainier, spent the day on Puget Sound whale watching and enjoyed botanical gardens blooming with fall flowers. Some trees have started to turn color, but it won't be long now. Of

course, we also took advantage of the freshest seafood I've had in a long time.

At our September guild meeting, several of you donated charity items and sale items for the November Boerne Handmade Market. We recognize your big hearts and talents. THANK YOU!

A few members have come by to select fabric from the guild's charity stash. It's wonderful to see your creations from the unfinished blocks, tops, and donated fabrics. Clearly many of you have been busy sewing and quilting these past few months.

Someone recently asked if sewing machine binding was acceptable instead of hand sewing it. Absolutely! That's a Tips & Tricks segment I'd like to see in a future program! (Note: Stacey still needs a few members to sign up for the January 2022 program).

All guild members are welcomed to shop the guild fabric stash or take any UFO to finish. Call or send me an email. There are only 2 months left to finish items for this year.

Stay healthy and safe,  
Bonnie Walshe

# Monthly News

There **will not** be a November 11 guild meeting due to the Veterans Day holiday. We are planning a library parking lot **DROP-OFF on Saturday, November 14 from 10:30AM-12:30PM**. This will be the last one for this year. If you can't make it that day and have something to donate, call Bonnie to make other arrangements. We will deliver our charity donations to each organization like we did in 2020. As before, you are encouraged to join some of those events as the recipients welcome the opportunity to thank you in person. It doesn't take long and is very rewarding to see the smiles on their faces. We will work to schedule those early in December so, watch for the details with dates, times, and locations.

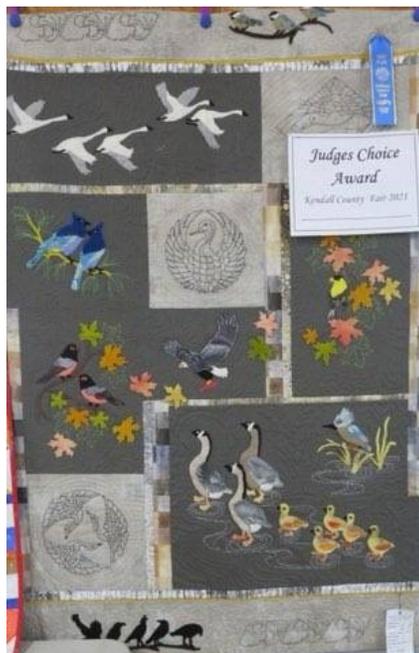

And finally, A BIG THANK YOU to our volunteers who worked the Spooktacular Shop Hop at Sew Special and the Ingram Craft Show this past week. Both sales were a tremendous success and resulted in adding \$1266 to our raffle quilt account!

## CCQG at Kendall County Fair

**Congratulations to all our members who entered quilts at the fair!**

If you missed the Kendall County Fair, here are some Quilt Division highlights. Our very own, Dale Flashberg organized and managed this year's Quilt Division at the Kendall County Fair. If Dale' had not stepped up to the task, there might not have been a Quilt exhibit.

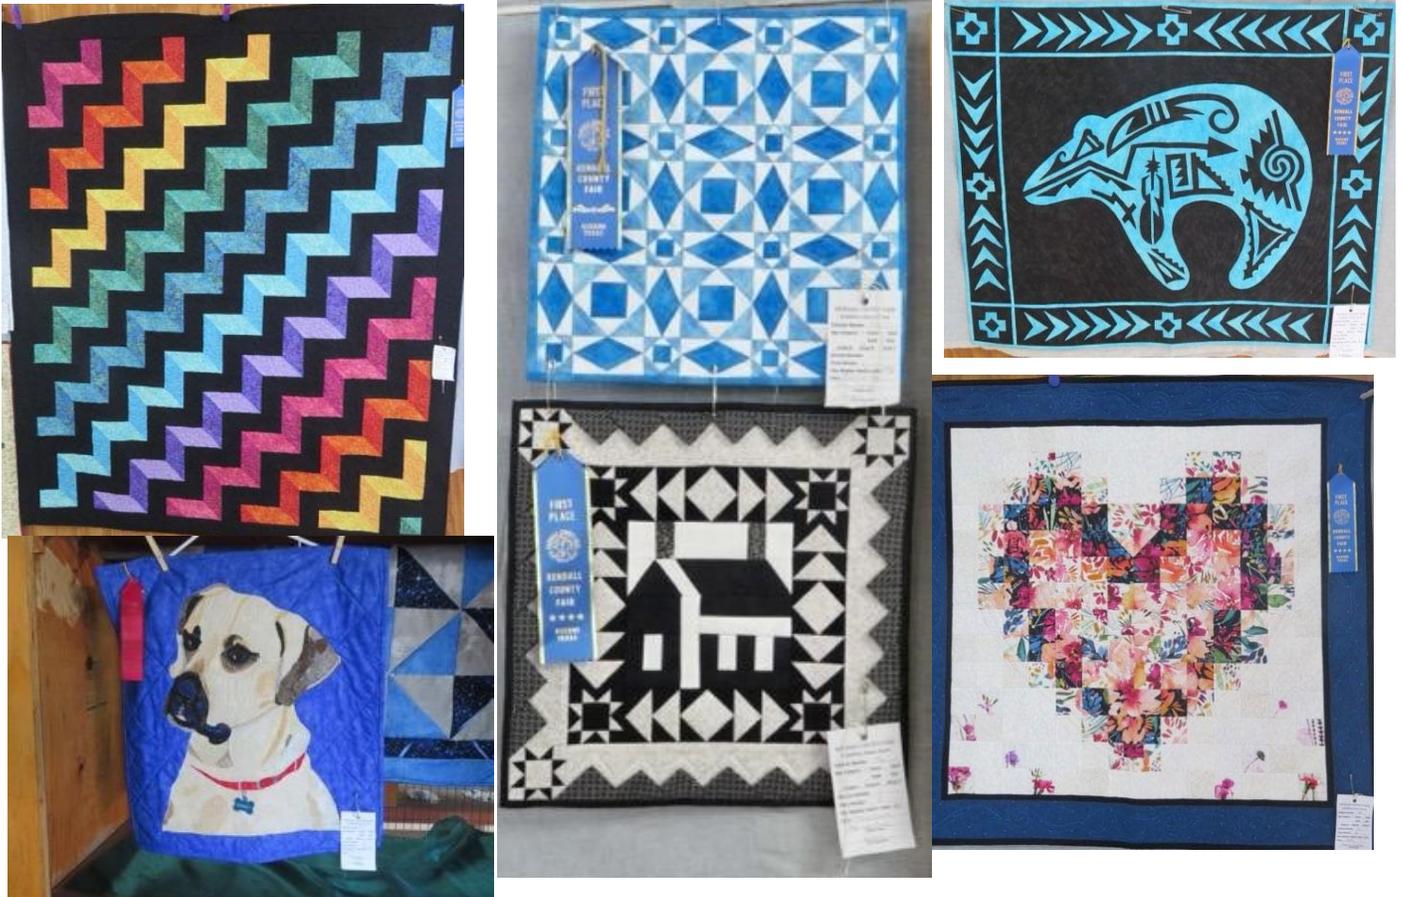

**In addition to her blue ribbons, AnnLea Mola won 2 Judges' Choice awards for her quilts**

## J. Michelle Watts Totem Workshop

Great workshop with Michelle Watts! Attendees learned techniques to help with totem design and numerous options for embellishing them. The group was well on their way to finishing the fabric foundation layer on their totems before the day was over. Michelle also teaches classes on stenciling fabric and a drawing design technique called Zentangle. One of the totems she brought to class had Zentangle designs drawn on fabric that were amazing.

If you're hesitant, we will partner you with an experienced volunteer to guide and support you throughout the day. This is a great opportunity to meet other quilters plus members of our community. You will hear wonderful stories and "quilt memories" that will fill your heart and remind you of why we quilt for our families and our community.
